

Volunteer mission: Conversation table

Objective of the volunteer mission:

To facilitate language learning and oral practice among learners by creating a welcoming space for exchange, discussion and cultural sharing.

- Encourage participants to speak and build their self-confidence.
- Promote social and cultural integration through language.
- Create connections between people from different backgrounds.
- Adapt exchanges to the linguistic level of the participants.
- Propose varied and accessible topics to stimulate conversation.
- Including practical workshops (outings, visits, cooking, arts) for real-life learning.
